

Dillard's

Let's Build a Future Together!

MANAGEMENT-IN-TRAINING INTERNSHIP

The ***Management-in-Training Internship*** introduces rising college seniors to Retail Management at a Fortune 500 Company. The Program is designed as a full-time 10 week program, which can be used for academic internship credit (with adjustment for part-time hours during the long semesters if needed). Start Dates for the Internship begin each semester: Spring, Summer, or Fall.

This structured management internship involves working in one store location while rotating through aspects of sales and retail management, with exposure in all merchandise areas. Managers-in-Training are mentored by the Store Manager, Sales Managers and Visual Manager, allowing individuals to gain an understanding of store operations, sales planning and financial analysis, staffing, visual merchandising, and promotional event planning to drive sales and profit. Interns participate in integrated job shadowing, and contribute with a hands-on approach to experience special projects and events.

The Internship focus also prepares individuals to transition to entry level career positions within Dillard's stores upon their college graduation. Come join the Dillard's team. We will train and educate you on the best practices of our business. We offer exciting career path opportunities and comprehensive benefit package.
