

KOHL'S

Art Intern

Shh...don't let the other internships know this is your favorite.

As an Art Intern you will work in a fast paced environment creating patterns and artwork for Kohl's private label brands. You will gain a strong understanding of each brand's aesthetic and be able to work on a variety of different projects.

What you'll do

Assist in creating and manipulating prints, yarn-dyes, and placed graphics

Assist the lead textile designer in setting up art concept boards

Participate in the research and development of seasonal trends, themes, concepts, and colors

Create original graphic art from the concept direction

Present your work with research in the form of color, mood boards, and collages

Collaborate with color, trend, and CAD artists, the buying office, and other designers
