

## Walmart & Sam's | NRF Job Posting:

### **Walmart Merchandising Corporate Internship – Summer 2017:**

The Merchandising Internship within the Merchandising Team is a summer program designed to provide meaningful experiences for an individual. The program offers an opportunity to work on real world business issues, while being exposed to key leaders within the organization. During your Internship you will be working directly with project teams on specific projects and analyses. You will be able to collaborate cross-functionally on assignments with stakeholders to understand the results of data analyses and research by communicating results and findings. This Internship is a great opportunity to have hands on training. Take the theories and processes you have studied in school and put them into practice. These hands on experiences will allow you to identify root causes and develop potential solutions and make recommendations based on data and observations. Given the broad reach and diversity of functions that Walmart/Sam's Club has, the range of opportunities to grow your career is virtually endless. If you want to work for a company that is passionate, focused, efficient, and has a worldwide impact, we encourage you to apply to our Summer Internship Program.

The Internship is located at our Home Office in Bentonville, Arkansas.
