

Inventory Analyst

About us:

At Target, you'll discover a Fortune 50 company focused on making life better for our guests. Creating a shopping experience where guests can find what they want – and discover something new – is the heart of the supply chain department.

As an Inventory Analyst, you'll develop business strategies to drive availability and profitable sales. Make an impact by managing and allocating inventory to stores, negotiating and maintain business relationships with the largest vendors in the industry, and formulating in-depth inventory forecasts. It's your skills that help bring guests what they want, when they want it, whether guests shop our stores or online. We'll be supporting you with extensive training and robust development to help you grow as a strong Inventory Analyst. This position includes competitive pay and discounts, and flexible scheduling.

About you:

- One - three years of relevant experience
- Demonstrated leadership and decision-making skills
- Ability to communicate clearly and effectively
- Excellent analytical and problem-solving skills
- Strong planning and organizational skills
- Ability to work in a growth environment
