

NRF is happy to announce a new networking/sales opportunity that is included in your exhibitor package.

Available, **free of charge**, NRF Matchmaking is a **business-to-business match making program**, designed to enable retailers and law enforcement professionals to efficiently find solutions to their current or ongoing challenges.

Through special matchmaking software, attendees secure private meetings with companies like yours, who have the solutions to help them be more effective. Meetings are reserved in 15-minute increments (based on your calendar availability) and reminders will be sent prior to meeting. NRF will provide the meeting space on the EXPO floor during expo hours.

SIGN UP to be part of this valuable program...**FOR FREE!**

It's that easy! Simply **enroll today** and further information on the next steps will be sent to you mid-May.
