

## 2018 Walmart Store Operations Internship

What started small, with a single discount store and the simple idea of selling more for less, has grown over the last 50 years into the largest retailer in the world. Today, nearly 260 million customers visit our more than 11,500 stores under 72 banners in 28 countries and e-commerce sites in 11 countries each week. With fiscal year 2016 revenue of \$482.1 billion, Walmart employs 2.3 million associates worldwide – 1.5 million in the U.S. alone. It's all part of our unwavering commitment to creating opportunities and bringing value to customers and communities around the world.

### Job Description:

The Store Operations Internship is the perfect fit for you! Store interns help Walmart fulfill its mission of saving customers money so they can live better. As an Intern, you'll step out of the classroom and onto an important path to running your own multimillion dollar store. You'll get the tools you need to perform at the highest level, setting you up for a quick step up the ladder to the Assistant Manager Training (AMT) Program, where you can get hands-on training from the best in the business on how to lead associates and manage store operations. From the first day on the job as a Walmart Intern, you'll train side-by-side with experienced managers and associates on the floor in one of our stores. You'll learn about operations, managing people, and how to make real decisions that can have a serious impact. But take notes, because you'll be moving to the next level before you know it!

The Internship is located at 26 various Walmart store locations across the US:
